The Brilliant Club

Chair

Dr Andy Fleming (The Brilliant Club)

[The Brilliant Club](#) works across the UK supporting less advantaged students to access the most competitive universities and to succeed when they get there. Training with The Brilliant Club and working as a PhD tutor enables researchers to communicate their research to a non-specialist audience, gain valuable teaching and public engagement experience, and deepen their knowledge of the UK education system. This session will explore the university access and success agenda, and how CHASE researchers can get involved in supporting students who are less advantaged to succeed.'
